Experience

I'm a designer with 10+ years of professional experience. I specialize in design thinking and visual design with an attention to detail to ensure high-quality design solutions.

UI/UX, Product Designer

Contract | Remote (Aug 2023 – Present)

- Led product design and worked as an individual contributor for various iOS, Android, and web products.
- Responsible for stakeholder interviews, design audits/research, wireframes, prototyping, visual design, design systems, and dev handoff.

Senior UI/UX Designer

Tack Mobile | Denver, CO Hybrid (Aug 2014 – Aug 2023)

- Led a UI/UX design team as well as working as an individual contributor for clients, including: Hunter Douglas, Skip Hop, Aspen Snowmass, Levolor, and Control4.
- Responsible for stakeholder interviews, design audits/research, wireframes, prototyping, visual design, design systems, and dev handoff.
- Constructed presentation materials for design initiatives and product pitches to be presented to stakeholders.

Art Director/Senior Designer

LRXD | Denver, CO (Jan 2013 – Jul 2014)

- Directed and collaborated on web, package design, and print design for clients, including: KOA and Red Robin.
- Responsible for branding, print design, email design, web design, and developer handoff.

Interactive Designer

rabble+rouser | Denver, CO (Oct 2010 – Jan 2013)

- Web and app design for clients, including: Weber Grills, LiveWell Colorado, and Atkins.
- Individual contributor for design research, wireframes, prototyping, visual design, and developer handoff.

Graphic Designer

BFG Communications | Hilton Head, SC (Nov 2007 – Aug 2009)

- Branding and ad design for a variety of food and beverage companies.
- Responsible for design concepts, layout design, and photo editing.
